All it takes
is one call
for

All your
corporate
identity
needs.

All it takes is one call for All your corporate identity needs.

Cambridge Offset is your one-stop business shop for all your stationery and corporate identity needs. From business cards to stationery to envelopes, we provide top quality printing at affordable prices – no matter how big or small your job. With a full range of papers, we'll help you find the perfect match for your corporate culture and budget. And we'll keep your artwork on file so reordering is quick and easy.

With our full-color presses, **Cambridge Offset** creates eye-popping annual reports and brochures as well as postcards and newsletters of all sizes. No matter what your budget, we'll help you find the printing solutions for your marketing and business communication projects.

We offer design and typesetting services to help you create a polished professional piece – even on a tight deadline. Our design services can help augment your marketing staff during busy times or give you added resources for your small business.

Cambridge Offset also offers a full line of all-occasion cards and promotional products to help you keep in touch with clients and prospects or communicate with employees.

No matter what your corporate identity or business communication needs, **Cambridge Offset** can help.

Partnering with our customers to provide printing solutions

Cambridge Offset has been serving the printing needs of consumers and businesses with reliable and friendly service for more than 40 years. A certified women-owned business and a proud member of Teamsters-Local 25, we seek to create long-term partnerships with our customers. We'll help you with your project whether you need design help, suggestions on papers or inks, or have a tight deadline.

Call us today for complete business and corporate identity solutions.
