

## Welcome

Welcome to Guardian Angel Credit Union where member service is our highest priority. Since 1929, we've worked with generations of North Country families and businesses. With \$40 million in assets, we're strong enough to provide the products that you need and small enough to give you the personal attention you deserve. Our Board of Directors, officers and staff are your neighbors and friends. They understand the North Country and can relate to the members and their needs.

Whether you are a long time resident or just moved to our area we will make you feel welcome. We think you'll agree that Guardian Angel should be your home for your banking and financial needs.
